

Virginia Commission on Coal and Energy

Uranium Mining Sub-Committee

Tuesday, January 6, 2009, 6:00 p.m.
Chatham High School Auditorium
Chatham, Virginia

Agenda

I. Welcome & Call to Order

Delegate Lee Ware, Chairman

II. Public Comment on Scope of Study

The Sub-Committee on Uranium Mining invites members of the public to recommend points of concern that should be included in the scope of any study on the mining of uranium in the Commonwealth. Speakers will be provided with three minutes to address the sub-committee and may not cede their time to other speakers. A sign-up list will be available at least one hour prior to the start of the hearing. Comments should be specific to the scope of the study on uranium mining and not on whether uranium mining should be permitted.*
