Dominion

Virginia's Electric Utility Restructuring Program

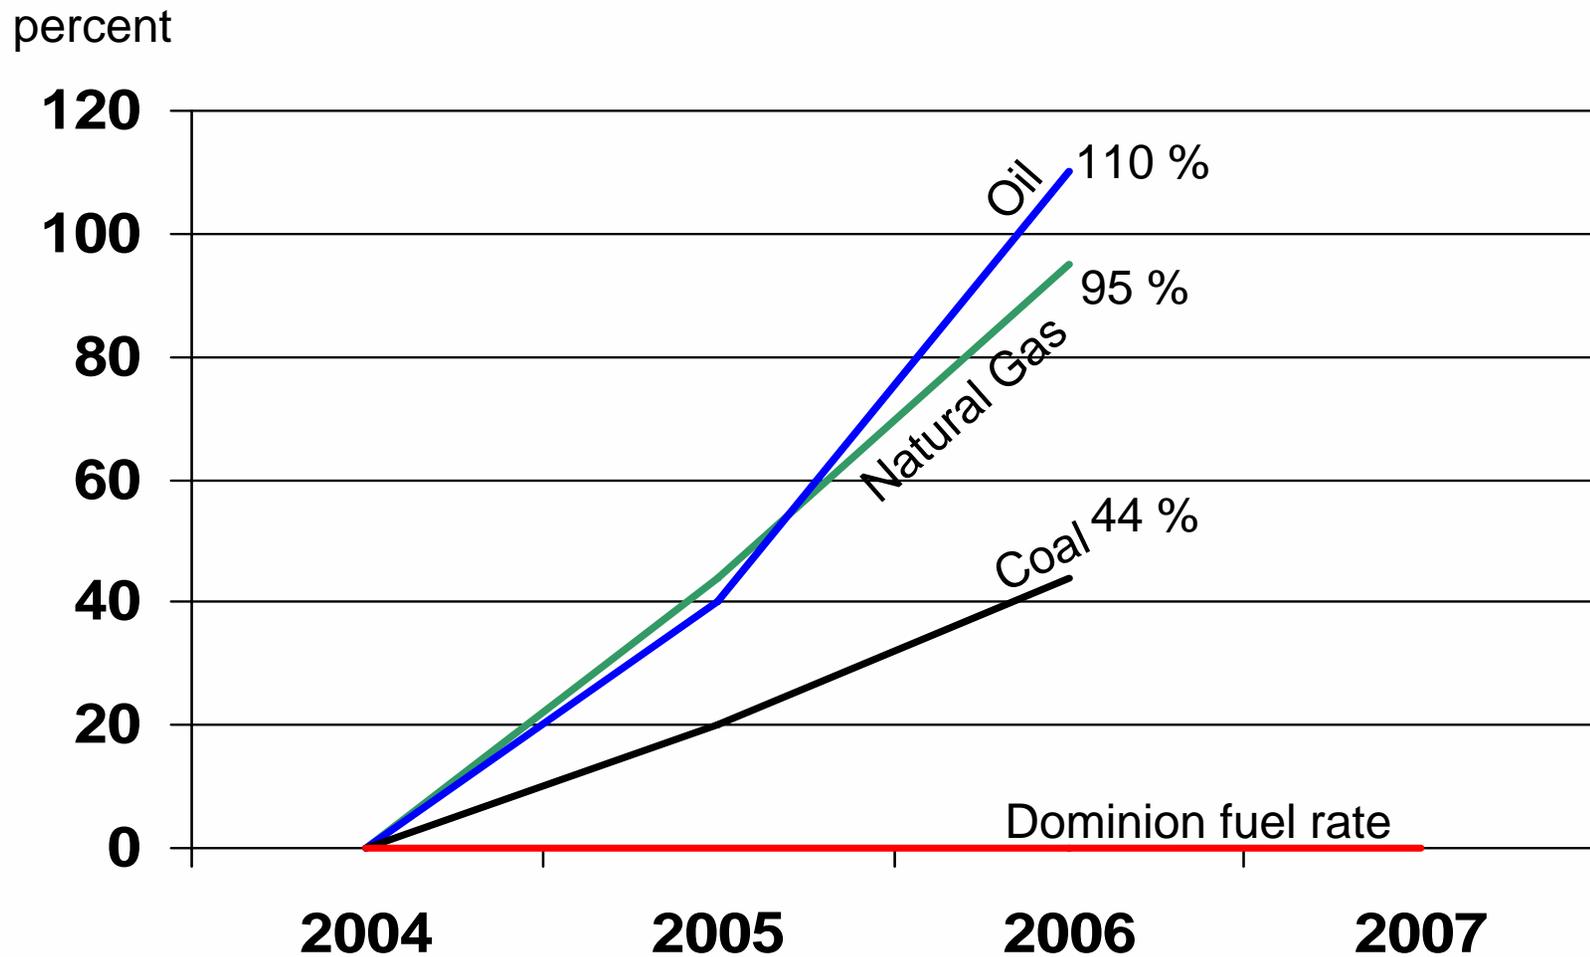

- Significant savings for Virginia consumers.
- Capped base rates through 2010.
- Dominion's fuel rate frozen through mid-2007 by SB 651.
- Fuel adjustment in 2007 will be based **ONLY** on prospective fuel prices – **NO** recovery of past fuel expenses (2004-2007).

Estimated Savings from Fuel Factor Freeze

	2005 - 2006 Total Savings
Residential	\$260
Small Commercial	\$2,600
Small Industrial	\$100,000
Large Industrial	\$6.8 million

Fuel Rate Freeze: Protection from Soaring Fuel Prices
