16 1. the taxpayer has submitted to the Department two qualified appraisals from two different
17 qualified appraisers; and

18 2. the Secretary of Natural Resources has determined that the qualified donation provides
19 exceptional benefit to the Commonwealth by meeting standards adopted by the Virginia Land
20 Conservation Foundation. Such determination shall be within the sole discretion of the Secretary. The
21 standards shall ensure that the qualified donation provides appropriate protections for all natural and
22 cultural resources on the property. Any request for a determination by the Secretary shall be
23 accompanied by a fee of \$5,000. Revenues generated by such fees shall be deposited in the Virginia

Land Conservation Fund to be used for the implementation of this article and the administration of the Fund.

B. The fair market value of qualified donations made under this section shall be substantiated by a "qualified appraisal" prepared by a "qualified appraiser," as those terms are defined under applicable federal law and regulations governing charitable contributions. The value of the donated interest in land that qualifies for credit under this section, as determined according to appropriate federal law and regulations, shall be subject to the limits established by U.S. Internal Revenue Code § 170 (e). In order to qualify for a tax credit under this section, the qualified appraisal shall be signed by the qualified appraiser, who must be licensed in the Commonwealth of Virginia as provided in § 54.1-2011, and a copy of the appraisal shall be submitted to the Department. In the event that any appraiser falsely or fraudulently overstates the value of the contributed property in an appraisal that the appraiser has signed, the Department may disallow further appraisals signed by the appraiser and shall refer the appraiser to the Real Estate Appraiser Board for appropriate disciplinary action pursuant to § 54.1-2013, which may include, but need not be limited to, revocation of the appraiser's license. Any appraisal that, upon audit by the Department, is determined to be false or fraudulent, may be disregarded by the Department in determining the fair market value of the property and the amount of tax credit to be allowed under this section.

C. 1. ~~The amount of the credit that may be claimed by a taxpayer shall not exceed \$50,000 for 2000 taxable years, \$75,000 for 2001 taxable years, and \$100,000 for 2002 taxable years and thereafter.~~
~~In addition, in~~ In any one taxable year the credit used may not exceed the amount of individual, fiduciary or corporate income tax otherwise due. Any portion of the credit which is unused in any one taxable year may be carried over for a maximum of five consecutive taxable years following the taxable year in which the credit originated until fully expended.

2. Qualified donations shall include the conveyance in perpetuity of a fee interest in real property or a less-than-fee interest in real property, such as a conservation restriction, preservation restriction, agricultural preservation restriction, or watershed preservation restriction, provided that such less-than-fee interest qualifies as a charitable deduction under § 170 (h) of the U.S. Internal Revenue Code of

1986, as amended. Qualified donations of a less-than-fee interest shall be eligible for the credit if a statement, describing how the donated interest in land meets the requirements of § 170 (h) of the U.S. Internal Revenue Code of 1986, as amended, and the regulations adopted thereunder, is submitted by the taxpayer to the Department on a form that shall be developed by the Tax Commissioner in consultation with the Secretary of Natural Resources. The statement shall include, but not be limited to, a description of the conservation purpose or purposes being served by the qualified donation and the public benefit derived from the donation. The Department shall provide a copy of the statement to the Department of Conservation and Recreation, which shall compile an annual report on qualified donations.

3. Qualified donations shall not include the:

a. conveyance of a fee interest, or a less-than-fee interest, in real property that has been dedicated for the purpose of fulfilling density requirements to obtain approvals for zoning, subdivision, site plan, or building permits; or

b. conveyance of a fee interest, or a less-than-fee interest, in real property by a charitable organization that (i) meets the definition of "holder" in § 10.1-1009, and (ii) holds one or more conservation easements; or

34. Qualified donations shall be eligible for the tax credit herein described if such donations are made to the Commonwealth of Virginia, an instrumentality thereof, or a charitable organization described in § 501 (c) (3) of the U.S. Internal Revenue Code of 1986, as amended, if such charitable organization (i) meets the requirements of § 509 (a) (2) or (ii) meets the requirements of § 509 (a) (3) and is controlled by an organization described in § 509 (a) (2).

78 of such property shall be assured in perpetuity.

80 A. Any taxpayer claiming a tax credit under this article shall not claim a credit under any similar
81 Virginia law for costs related to the same project. To the extent a credit is taken in accordance with this
82 article, no subtraction allowed for the gain on the sale of (i) land dedicated to open-space use or (ii) an
83 easement dedicated to open-space use under subsection C of § 58.1-322 shall be allowed for three years
84 following the year in which the credit is taken.

85 B. Any tax credits that arise under this article from the donation of land or an interest in land
86 made by a pass-through tax entity such as a trust, estate, partnership, limited liability company or
87 partnership, limited partnership, subchapter S corporation or other fiduciary shall be used either by such
88 entity if it is the taxpayer on behalf of such entity or by the member, manager, partner, shareholder or
89 beneficiary, as the case may be, in proportion to their interest in such entity in the event that income,
90 deductions and tax liability pass through such entity to such member, manager, partner, shareholder or
91 beneficiary or as set forth in the agreement of said entity. Such tax credits shall not be claimed by both
92 the entity and the member, manager, partner, shareholder or beneficiary for the same donation.

93 C. Any taxpayer holding a credit under this article may transfer unused but otherwise allowable
94 credit for use by another taxpayer on Virginia income tax returns. A taxpayer who transfers any amount
95 of credit under this article shall file a notification of such transfer to the Department in accordance with
96 procedures and forms prescribed by the Tax Commissioner, along with a fee of 1% of the value of the
97 donated interest, or \$5,000, whichever is less. Revenues generated by such fees shall be used by the
98 Department for implementation of this article.

99 D. To the extent included in and not otherwise subtracted from federal adjusted gross income
100 pursuant to § 58.1-322 or federal taxable income pursuant to § 58.1-402, there shall be subtracted any
101 amount of gain or income recognized by a taxpayer on the application of a tax credit under this article
102 against a Virginia income tax liability.

103 E. The transfer of the credit and its application against a tax liability shall not create gain or loss
104 for the transferor or the transferee of such credit.

105 F. A pass-through tax entity, such as a partnership, limited liability company or Subchapter S
106 corporation, may appoint a tax matters representative, who shall be a general partner, member/manager
107 or shareholder, and register that representative with the Tax Commissioner. The Tax Commissioner
108 shall be entitled to deal with the tax matters representative as representative of the taxpayers to whom
109 credits have been allocated or transferred by the entity under this article with respect to those credits. In
110 the event a pass-through tax entity allocates or transfers tax credits arising under this article to its
111 partners, members or shareholders and the allocated or transferred credits shall be disallowed, in whole
112 or in part, such that an assessment of additional tax against a taxpayer shall be made, the Tax
113 Commissioner shall first make written demand for payment of any additional tax, together with interest
114 and penalties, from the tax matters representative. In the event such payment demand is not satisfied, the
115 Tax Commissioner shall proceed to collection against the taxpayers in accordance with the provisions of
116 Chapter 18 (§ 58.1-1800 et seq.) of this title.
