

HJR 91 Work Plan 2008-2009

2008 Interim:

- Overview of TAG program, enrollment needs of public institutions of higher education by SCHEV
- Issues of importance to private institutions of higher education

- Overview of capital projects at private institutions
- Publicly supported programs for private institutions in other states

- Discussion: which programs/ideas are of interest to subcommittee members?
What would you like more information on?

2009 Interim:

- Budget review: review current higher education funding, any cuts recently made, currently available funds
- 2009 Session overview: any new programs, new funding, changes, etc.

- Out of state experts: bring in experts from other states to learn more about programs deemed of interest
- Relevant VA agency experts: how could this program(s) be implemented in VA?

- Virginia College Building Authority: review current program, can improvements be made?

- TAG program promotion: how is the program currently being promoted, can we do more?

- Develop legislative proposals: review during final meeting, November 2009.
