### § 1. Short title.

This act shall be known and may be cited as the Luray-Page County Airport Authority Act. (2004, c. 39)

### § 2. Creation; public purpose.

If the governing bodies by resolution declare that operating an airport for such participating political subdivisions would be in the public interest, and that they should unite in its formation, an airport authority to be known as the Luray-Page County Airport Authority shall thereupon exist for such participating county and town and shall exercise its powers and functions as prescribed herein. The region for which such Authority shall exist shall be coterminous with the boundaries of the participating political subdivisions.

In any suit, action, or proceeding involving the validity or enforcement of or relating to any contract of the Luray-Page County Airport Authority, such authority shall be established and authorized to transact business and exercise its powers hereunder upon proof of the adoption of a resolution as aforesaid by the governing bodies of such county and town declaring that there is a need for such authority and that they should unite in its formation. A copy of such resolution duly certified by the clerks of the county and town by which it is adopted shall be admissible as evidence in any suit, action or proceedings. Any political subdivision of the Commonwealth, all or part of which is located within 60 miles of an Authority facility, is authorized to join such Authority pursuant to the terms and conditions of this act.

It is hereby declared that the ownership and operation by the Authority of modern and efficient air transportation and related facilities and the exercise of powers conferred by this act are proper and essential governmental functions and public purposes and matters of public necessity for which public moneys may be spent and private property acquired through the power of eminent domain as hereinafter provided. It is also declared that contract obligations of a town to provide payments over a period of more than one year to the Authority shall be excluded from existing indebtedness of such town for purposes of calculating debt limit pursuant to Section 10 (a) of Article VII of the Constitution of Virginia. It is further declared that the Authority is an entity of government by or on behalf of which debt may be contracted by or on behalf of any county pursuant to Section 10 (b) of Article VII of the Constitution of Virginia. Neither the resolution nor any trust indenture by which a pledge is created need to be filed or recorded except in the records of the Authority. (2004, c. 39)

§ 21. Taxation.

The exercise of the powers granted by this act shall in all respects be presumed to be for the benefit of the inhabitants of the Commonwealth, for the increase of their commerce, and for the promotion of their health, safety, welfare, convenience and prosperity, and as the operation and maintenance of any project that the Authority is authorized to undertake will constitute the performance of an essential governmental

(2004, c. 39)

§ 22. Bonds as legal investments.

Bonds issued by the Authority under the provisions of this act are hereby made securities in which all public officers and public bodies of the Commonwealth and its political subdivisions, all insurance companies, trust companies, banking associations, investment companies, executors, administrators, trustees, and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Such bonds are hereby made securities that may properly and legally be deposited with and received by any state or municipal officer or any agency or political subdivision of the Commonwealth for any purpose for which the deposit of bonds or obligations is now or may hereafter be authorized by law. (2004, c. 39)

§ 23. Appropriation by political subdivision.

Any participating political subdivision, or other political subdivision of the Commonwealth all or a part of which is located within 60 miles of an Authority facility, is authorized to provide services, to donate real or personal property and to make appropriations to the Authority for the acquisition, construction, maintenance, and operation of the Authority's facilities. Any such political subdivision is hereby authorized to issue its bonds, including general obligation bonds, in the manner provided in the Public Finance Act (§ 15.2-2600 et seq.) of the Code of Virginia or in any applicable municipal charter for the purpose of providing funds to be appropriated to the Authority, and such political subdivisions may enter into contracts obligating such bond proceeds to the Authority. (2004, c. 39)

§ 24. Authority budget.

A. The Authority shall annually prepare and submit to the participating political subdivision (i) a proposed operating budget showing its estimated general fund revenues and expenses on an accrual basis for the forthcoming fiscal year, and if such estimated expenses exceed such estimated revenues, the portion of the deficit proposed to be borne by each participating political subdivision, and (ii) a proposed capital budget showing its estimated expenditures for such fiscal year for assets costing more than \$20,000 (or such higher amount as the Authority and the participating political subdivisions may determine) and having an estimated useful life of 20 years or more and the source of funds for such expenditures, including any amount requested from the participating

political subdivisions. No depreciation shall be included in the Authority's operating budget with respect to assets purchased by the Authority with funds appropriated to it for such purpose by a participating political subdivision and, for this determination, it shall be assumed that any appropriation so made is for the purchase of assets set forth in the applicable Authority budget to the extent such purchase price is included in the approved budget. Assets purchased by the Authority with bond proceeds shall be depreciated over the term of the bond issue in proportion to the maturities, including sinking fund installments, of the bond issue.

B. If the governing body of a participating political subdivision shall approve the Authority's proposed operating budget, it shall appropriate to the Authority such political subdivision's portion of such budget.

C. If the governing body of a participating political subdivision shall approve the Authority's proposed capital budget, it shall appropriate to the Authority such participating political subdivision's portion of the expenditures set forth therein. Any such appropriation may be reduced by the participating political subdivision's proportionate share of any grant funds received by the Authority for the purchase of assets included in the Authority's approved capital budget in excess of the grant funds shown in such capital budget as a source of funds for such expenditure, unless prohibited by the basic provider of the grant funds.

D. The Authority may expend any and all moneys within its control without obtaining the approval of the participating political subdivisions, but, except as otherwise provided in this act with respect to contracts and agreements between the Authority and any political subdivision, the Authority shall not commit any participating political subdivision in an amount in excess of that appropriated to the Authority by the governing body of such political subdivision.

E. If at any time during any fiscal year it shall appear that the cash disbursements of the Authority will exceed its cash receipts for such fiscal year, including amounts appropriated to it by the participating political subdivisions, the Authority may request supplemental appropriations from the participating political subdivision and any other political subdivision. (2004, c. 39)

§ 25. Allocation of deficit; denial of voting privileges.

A. Any deficit budgeted by the Authority in any fiscal year, i.e., any excess of its estimated general fund expenses over its estimated general fund revenues, and the cost of any budgeted capital expenditures in excess of the amount shown as available therefor, as shown on Authority's operating and capital budgets approved by the participating subdivisions, shall be allocated among the participating political subdivisions in the following manner:

1. During the five fiscal years beginning July 1, 2004, the Town of Luray, Virginia, a Virginia Municipal Corporation, and Page County, Virginia, shall each contribute half of the amount budgeted annually by the Authority for capital expenditures in excess of the amounts shown as available therefor after subtracting from such amount the annual contribution of the other participating political subdivision.

2. No later than the fifth fiscal year, the participating political subdivisions shall evaluate the division of capital contributions made by each such subdivision and shall agree as to the division of such contributions for the fiscal year beginning July 1, 2009, and thereafter.

3. In the event the appropriation of any participating political subdivision is insufficient to pay its portion of the deficit incurred in any fiscal year, the allocation of any deficit for any succeeding fiscal year shall take into account the cumulative deficiency attributable to such participating political subdivision; however, no participating political subdivision shall be required to pay the Authority in any fiscal year any amount in excess of that appropriated to the Authority by the governing body of such participating political subdivision.

B. Any participating political subdivision not contributing its proportionate share of any deficit as determined by the Authority pursuant to § 25 of this act, either of the Authority's operating budget or capital budget in accordance with a schedule established by the Authority, shall automatically be denied voting privileges. The denial of voting privileges shall terminate upon the delivery of its proportionate share by such political subdivision. (2004, c. 39)

§ 26. Contract with political subdivisions.

The Authority is authorized to enter into contracts with any one or more political subdivisions, which contracts may restrict the powers of the Authority otherwise granted by this act. Any participating political subdivision, or other political subdivision of the Commonwealth all or part of which is located within 60 miles of an Authority facility, is authorized to enter into contracts with the Authority, pursuant to which the Authority undertakes to provide the facilities and render the services specified therein. Any such contract or agreement may provide that the political subdivision will make payments to the Authority based on the services rendered by the Authority to the residents of such political subdivision, determined in such reasonable manner as the Authority and the political subdivision may mutually agree. Each political subdivision entering into such a service contract with the Authority is authorized to do everything necessary or proper to carry out and perform such contract and to provide for the payment or discharge of any obligation thereunder by the same means and in the same manner as any other of its obligations. (2004, c. 39)

§ 27. Retirement benefits for certain employees by a participating political subdivision.

When a local political subdivision joins the Authority, any employee of such local political subdivision who then becomes an employee of the Authority, if such employee is a member of a local retirement system, may elect to and may continue to be eligible to remain a member of such local retirement system in lieu of becoming a member of any retirement system with which the Authority may affiliate. Such election to remain a member of a local retirement system shall be made in writing within 120 days of such employee's political subdivision becoming a member of the Authority. In such event, service of such employee with the Authority shall be creditable as service with the participating political subdivision and shall be pursuant to all duly adopted ordinances and rules and regulations governing such retirement system. Any employee so electing shall not be entitled to any benefit under the Authority's retirement system, and the Authority shall pay the employer share of benefits provided the Authority's employees by such political subdivision. Nothing herein shall apply to any health and accident insurance plan or to the Federal Old-Age and Survivors' Insurance System. (2004, c. 39)

§ 28. Dissolution of Authority.

Whenever it shall appear to the Authority, or to any participating political subdivision that the need for the Authority no longer exists, the Authority, or in the proper case, any such subdivision may petition the circuit court of a participating political subdivision for the dissolution of the Authority. If the court shall determine that the need for the Authority as set forth in this act no longer exists and that all debts and pecuniary obligations of the Authority have been fully paid or provided for, it may enter an order dissolving the Authority.

Upon dissolution, the court shall order any real property contributed to the Authority by a participating political subdivision, together with any improvements thereon, returned to such participating political subdivisions. The remaining assets of the Authority shall be distributed to the participating political subdivisions in proportion to their respective contributions theretofore made to the Authority.

Each participating political subdivision and all holders of the Authority's bonds shall be made parties to any such proceeding and shall be given notice as provided by law. Any party defendant may reply to such petition at any time within six months after the filing of the petition. From the final judgment of the court, an appeal shall lie to the Supreme Court of Virginia. (2004, c. 39)

§ 29. Agreement with Commonwealth and participating political subdivisions.

The Commonwealth and, by participating in the Authority, each participating political subdivision pledge to and agree with the holders of any bonds issued by the Authority that neither the Commonwealth nor any participating political subdivision will limit or alter the rights hereunder vested in the Authority to fulfill the terms of any agreements made with said holders or in any way impair the rights and remedies of said holders until such bonds are fully met and discharged. The Authority is authorized to include this pledge and agreement in any contract with the holders of the Authority's bonds. (2004, c. 39)

§ 30. Liberal construction.

Neither this act nor anything herein contained is or shall be construed as a restriction or limitation upon any powers that the Authority might otherwise have under any laws of this Commonwealth, and this act is cumulative to any such powers. This act does and shall be construed to provide a complete, additional and alternative method for the doing of the things authorized hereby and shall be regarded as supplemental and additional to powers conferred by other laws. However, the issuance of bonds under the provisions of this act need not comply with the requirements of any other law applicable to the issuance of bonds, notes, or other obligations. No proceedings, notice or approval shall be required for the issuance of any bonds or any instrument as security therefor, except as is expressly provided in this act. The provisions of this act are severable, and if any of its provision shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any of the other provisions of this act. (2004, c. 39)

§ 31. Application of local ordinances, service charges and taxes upon leaseholds.

Nothing herein contained shall be construed to exempt the Authority's property from any applicable zoning, subdivision, erosion and sediment control and fire prevention codes or from building regulations of a political subdivision in which such property is located. Nor shall anything herein contained exempt the property of the Authority from any service charge authorized by the General Assembly pursuant to

Article X, Section 6 (g) of the Constitution of Virginia, or exempt any lessee of any of the Authority's property from any tax imposed upon his leasehold interest in such property or upon the receipts derived therefrom. (2004, c. 39)

§ 32. Existing contracts, leases, franchises, etc., not impaired.

No provisions of this act shall relieve, impair or affect any right, duty, liability or obligation arising out of any contract, concession, lease or franchise now in existence except to the extent that such contract, concession, lease or franchise may permit. Notwithstanding the foregoing provisions of this section, the Authority may renegotiate, renew, extend the term of or otherwise modify at any time any contract, concession, lease or franchise now in existence in such manner and on such terms and conditions as it may deem appropriate, provided that the operator of or under any said contract, concession, lease or franchise consents to said renegotiations, renewal, extension or modification. (2004, c. 39)

§ 33. That the Luray-Page County Airport Authority, as provided for in this act, shall in all respects be the successor in interest to the Luray-Page County Airport Commission created by the Town of Luray, Virginia, a Virginia Municipal Corporation, and Page County, Virginia. (2004, c. 39)
