

Joint Commission on Technology and Science

April 17, 2008 10:00 a.m.

House Room C, General Assembly Building

(Teleconferenced Location: 510 Cumberland Street, Suite 308; Bristol VA)

- **Call to order, roll call.**
 - **Election of chairman and vice-chairman.**
 - **Legislative Update:** Staff will provide an update on bills recommended by JCOTS to the 2008 Session of the General Assembly, as well as on other technology related legislation from the 2008 Session.
 - **Formation of 2008 Work Plan:** Staff will brief the commission on the bills referred by the 2008 General Assembly for study by JCOTS and provide an overview of the work plan proposed by Delegate May for the Interim. The proposed work plan is intended to act as a starting point for Interim work, and can be amended or augmented throughout the year. Members are encouraged to use this time on the agenda to comment on the proposed work plan, and to make additional work plan recommendations.
 - **Update on HB 633/SB 133 - - Personal Information Privacy Act.**
 - **Other Business.**
 - **Public comment:** Members of the public are invited to express their views about the Commission and its work.
 - **Adjournment.**
