

# **PROPOSED**

## **VIRGINIA HOUSING COMMISSION Local Revitalization and Blight Removal Work Group**

**10:00 a.m., October 28, 2004**

**Conference Room 1**

**Virginia Housing Development Authority**

**601 South Belvidere Street**

**Richmond, Virginia**

### **Agenda\***

**Charge:** Identify community revitalization trends, issues and opportunities at the local, regional and state levels; review existing statutory provisions dealing with blight removal and the enforcement of the Uniform Statewide Building Code and other relevant regulatory provisions to determine which statutes and enforcement provisions are successful and which are not successful.

**Objectives:** Receive presentations concerning: i) developer's perspective of blight removal process, ii) status of brownfields efforts, iii) successful redevelopment projects, and iv) cooperative efforts between traditional cities and surrounding localities. Review status of work group.
