

# Virginia Commission on Coal and Energy

## Uranium Mining Sub-Committee

Tuesday, June 22, 2010, 6:00 p.m.  
Chatham High School Auditorium  
Chatham, Virginia

### Agenda

---

**I. Welcome & Call to Order**

*Delegate Lee Ware, Chairman*

**II. Public Comment on Scope of Study**

The Sub-Committee on Uranium Mining invites members of the public to recommend points of concern that should be included in the scope of the socioeconomic study on uranium mining in the Commonwealth. Speakers will be provided with three minutes to address the sub-committee and may not cede their time to other speakers. A sign-up list will be available at least one hour prior to the start of the hearing. Comments should be specific to the scope of the socioeconomic study on uranium mining and not on whether uranium mining should be permitted generally.

The Sub-Committee on Uranium Mining also welcomes written comment on the scope of the study through June 30, 2010. Please send correspondence to the Coal & Energy Commission, c/o Ellen Porter, Division of Legislative Services, 910 Capitol Street, Richmond, Virginia 23219 or [eporter@dls.virginia.gov](mailto:eporter@dls.virginia.gov).

The preliminary draft is available in hard copy at the meeting and on the website for the Coal and Energy Commission at:
