| | <p>Text: I have a current case... I need to know how I can find out the guidelines of support for my case to pay an appropriate amount being that I have 5 children & 3 of them are in my custodial care and I have daycare to pay for my 6 & 2 year old children. How could I get that information... or get the current support order changed... My other question is.. should I be able to pay off the yearly amount of my current child support case order... would I still be responsible to pay monthly?</p> |

| | <p>Text: To whom it may concern, I have questions in submitting an appeal for the my child. Unfortunately my child has moved from the state of Virginia and is currently living in the state of florida. If I were to submit a repeal for visitation would that go through the state of Virginia or the state of florida? Also in regards to review the child support amount, is that done automatic or is there any course of action I must take? Any information is helpful.</p> |
