The chart figures fees for a typical 5-axle tractor-semitrailer combination weighing 80,000 lbs. The registration fees are figured for an interstate vehicle traveling entirely intrastate, which doesn't happen but allows for comparison at full fees. Fees are also those that apply to carriers based in that state and include semitrailer plate fees and registration surcharges. Other fees such as operating authority fees and property, sales, and excise taxes are not included and would affect total carrier costs and state ranking. AZ, CA, CO, ME, MN, MS, MT, NV, ND, SD, UT, WA, and WY registration fees contain a valuation component; figured on a \$100,000 vehicle.
