- 1979 -- "School Board of the City of Richmond v. Parham" ; Joint Subcommittee of House Committees on Privileges and Elections and on Education and Senate Committees on Privileges and Elections and on Education and Health to study effects of decision (HJR 279)
- 1979 -- School programs for pupils before and after school hours; provisions in Arlington County and Falls Church City Division for Children to study need for such programs (HB 1726) (HD 16, 1981)
- 1979 -- Special education facilities, local and regional; Secretary of Education and Secretary of Human Resources to study (HJR 264) (HD 12, 1980)
- 1979 -- Need for graduate instruction and continuing education in engineering in the Richmond area and Northern Virginia (HB 4) (HD 23, 1981)
- 1979 -- Combining administrative functions of certain educational agencies; Secretary of Education requested to oversee the cooperation and coordination among the State Education Assistance Authority, Virginia Education Loan Authority, Virginia College Building Authority and the Virginia Public School Authority, as well as scholarship programs administered by the State Council of Higher Education (HJR 201)
- 1979 -- School Board appointments; creating subcommittee to study (SJR 135)
- 1980 -- Community Education, Joint Subcommittee on; established (HJR 68)
- 1980 -- Competency test for high school diploma; House Committee on Education and Senate Committee on Education and Health to study (HJR 115) (HD 25, 1981)
- 1980 -- Compulsory school attendance; House Committee on Education and Senate Committee on Education and Health to study (HJR 94)

- 1980 -- Educable mentally retarded; Department of Education to study rates of reimbursement for special class placements (HJR 129) (HD 7, 1981)
- 1980 -- Engineering; Council of Higher Education to study need for graduate instruction and continuing education therein (HB 419) (HD 23, 1981)
- 1980 -- Financial assistance programs available to students; Council of Higher Education to study (HJR 7) (HD 24, 1981)
- 1980 -- Gifted and talented children; House Committee on Education and Senate Committee on Education and Health to study status and needs of programs therefor (HJR 164) (HD 26, 1981)
- 1980 -- Handicapped children; House Committees on Education and on Appropriations and Senate Committees on Finance and on Education and Health to study status, needs and requirements of education therefor (HJR 36)
- 1980 -- Health and physical education; Senate Committee on Education and Health and House Committee on Education to study eliminating dual endorsement (SJR 43) (SD 17, 1982)
- 1980 -- Kindergarten through Grade 3; certain institutions of higher learning offering courses to persons seeking NR-3 endorsement to review programs on reading and language arts (HJR 64)
- 1980 -- Language, speech and hearing therapy; Department of Education to study programs in public schools (HJR 168) (HD 8, 1981)
- 1980 -- Learning disabled; Council of Higher Education to study collegiate programs therefor (HJR 62)
- 1980 -- Neighborhood education centers; Department of Education to study (HJR 165)
- 1980 -- School textbook selection process; House Committee on Education to study (HR 8)
- 1980 -- Teacher certification; Board of Education to study prescribed test and impose on teacher preparation programs (HJR 180)
- 1980 -- Teacher training programs; institutions of higher education to review standards for acceptance of students therein (HJR 100) (HD 3, 1982)
- 1980 -- Vocational-technical and career education, Joint Subcommittee on; created (HJR 97) (HD 21, 1981) (HD 12, 1982)
- 1981 -- Guidance and counseling, developmental; Joint Subcommittee of Senate Committee on Education and Health and House Committee on Education to study possible availability to all elementary public school children (SJR 132) (SD 26, 1982)
- 1981 -- Handicapped children; Joint Subcommittee of Senate Committee on Education and Health and House Committee on Education to study impact of minimum competency testing (SJR 150) (SD 28, 1982)
- 1981 -- Teacher centers for improvement of standards of quality; Department of Education to study establishment thereof (SJR 134) (SD 10, 1982)

- 1981 -- Health and physical education, elimination of dual endorsement to teach; Joint Subcommittee of Senate Committee on Education and Health and House Committee on Education to continue study (SJR 143) (SD 17, 1982)
- 1981 -- School programs outside regular school hours; school boards of Arlington County and Falls Church City to provide and study effectiveness and costs of operation (SB 602)
- 1981 -- Community education; Joint Subcommittee of House Committee on Education and Senate Committee on Education and Health to continue study (HJR 320)
- 1981 -- Vocational-technical and career education; Department of Education to study and provide data to Joint Subcommittee Studying Vocational-Technical and Career Education (HJR 225)
- 1981 -- Textbooks, free; Subcommittee of House Committee on Education to study eligibility criteria for use (HR 43)
- 1982 -- Gifted and talented children; requesting Department of Education to study establishment of state-operated schools or programs therefor (HJR 46) (HD 22, 1983) (HD 23, 1985)
- 1982 -- Guidance and counseling, developmental; Special Joint Subcommittee of the Senate Education and Health Committee and the House Education Committee to reconvene to study status and needs of elementary developmental guidance and counseling programs (SJR 66)
- 1982 -- Guidance and counseling, developmental; Joint Subcommittee to reconvene to consider the status and needs of elementary guidance and counseling programs (SJR 69) (SD 16, 1983) (SD 24, 1984)
- 1982 -- Alcohol and drug abuse; requesting local school divisions to establish comprehensive policy to manage problems in public schools, Department of Education to report (SJR 64)
- 1982 -- Financial aid; Council of Higher Education to study structure of student programs to ensure future continuance (SJR 81) (SD 3, 1984)
- 1982 -- Vocational-technical and career education, Joint Subcommittee on; Continued (HJR 141) (HD 44, 1983)
- 1982 - Food and Nutrition, Program on created within College of Home Economics at Virginia Polytechnic Institute and State University (SB 274)
- 1982 -- Senior Citizens Higher Education Act; Council of Higher Education to study impact on educational institutions (HJR 142) (HD 14, 1983)
- 1982 -- Teachers; Board of Education to study differentiated compensation for outstanding performance (HJR 93) (HD 24, 1983)
- 1982 -- Driver education programs; House Committees on Education and on Appropriations and Senate Committees on Education and Health and on Finance to study funding and effectiveness (HJR 80) (HD 42, 1983)
- 1982 -- Alcohol and drug abuse; requesting the Department of Education to study technical assistance and inservice training materials. (HJR 99) (HD 25, 1983)

- 1982 -- Handicapped children; joint subcommittee to study funding of transportation to and from school (SJR 68) (SD 11, 1983)
- 1983 -- Driver education programs; Joint Subcommittee Studying the Effectiveness and Funding of Driver Education Programs in the Public School to continue study (HJR 32)
- 1983 -- Reduced tuition; Joint Subcommittee established to study the issues of determination of eligibility for reduced tuition charges in the Commonwealth's institutions of high education (HJR 60) (HD 42, 1984)
- 1983 -- Computer-assisted instruction; Joint Subcommittee of members of House Committee on Education and Senate Committee on Education and Health established to study initiatives to advance computer-assisted instruction (HJR 61) (HD 31, 1984)
- 1983 -- State Board for Community Colleges; Board to study feasibility of retiring unemployed persons in the Hampton Roads area (HJR 91) (HD 9, 1984)
- 1983 -- Engineering programs; Joint Subcommittee established to study how Virginia can maintain the high quality engineering programs in its public institutions of higher education (SJR 5) (SD 15, 1984)
- 1983 -- Teachers; Joint Subcommittee established to study the reemployment of teachers (SJR 8) (SD 17, 1984)
- 1983 -- Home education; Joint Subcommittee established to study home education and to establish guidelines for home education (SJR 59) (SD 14, 1984)
- 1984 -- Driver education in public schools; Joint Subcommittee to continue study (HJR 28)
- 1984 -- Engineering programs; Joint Subcommittee studying continued (SJR 10)
- 1984 -- Higher education; State Council of Higher Education and public institutions of higher education to develop procedures for the reduction in scope of the system of higher education (HJR 77)
- 1984 -- Numerical grading scale; Board of Education to study need for statewide standardized numerical grading scale for secondary schools (HJR 78)
- 1984 -- School vision screening program; Department of Education to study school vision screening program as well as methods available for effective early detection of learning disabilities consistent with the symptoms of dyslexia and dysgraphia (HJR 127) (HD 8, 1986)
- 1984 -- Guidance and counseling; Board of Education to make certain reports to certain committees of the General Assembly regarding elementary developmental guidance and counseling, including the effectiveness of model programs and the status and needs of these programs in the Commonwealth (SJR 32)
- 1984 -- Equipment for engineering programs; State Council of Higher Education to develop a formula to fund the acquisition and replacement of equipment for engineering programs (SJR 35)
- 1985 -- School bus safety; Department of Education to study school bus safety (HJR 228) (HD 10, 1986)

- 1985 -- Instructional equipment; Joint Subcommittee established to study methods of acquiring and maintaining a technologically current inventory of higher education instructional equipment and their distribution (SJR 90) (SD 21, 1986); continued (SJR 4, 1986)
- 1985 -- Higher education; State Council of Higher Education to study student achievement in Virginia's public higher education system (SJR 125 (SD 14, 1986)
- 1986 -- Educational environments in state mental health and mental retardation facilities; report of the Department of Mental Health and Mental Retardation (SJR 148, 1985) (SD 7)
- 1986 -- Standards of Quality; Joint Legislative Audit and Review Commission on the funding of the standards of quality, Part 1: assessing SOQ costs (SJR 35, 1982) (SD 20)
- 1986 -- Academic library facility needs; State Council of Higher Education to investigate the academic library facility needs in Virginia's public system of higher education (HJR 32) (HD 14, 1987)
- 1986 -- Needs of accredited, nonprofit colleges and universities; State Council of Higher Education to study facility and instructional equipment needs of accredited, nonprofit Virginia independent colleges and universities (HJR 72)
- 1986 -- Extended day; Department of Education to study feasibility of revising regulations to facilitate a seven-period extended day for high school students (HJR 96) (HD 27, 1987)
- 1986 -- Computer-assisted instruction; Department of Education to study initiatives to advance computer-assisted instruction (HJR 118) (HD 28, 1987)
- 1986 -- Driver education programs; Board of Education to evaluate commercial and public education driver education programs in Virginia (HJR 135)
- 1986 -- Needs of Virginia's independent colleges and universities; State Council of Higher Education to study the facility and instructional equipment needs of Virginia's independent colleges and universities (SJR 69)
- 1987 -- Driver Education Programs, Evaluating Public School and Commercial; Report of Board of Education (HJR 135, 1986) (HD 29, 1987)

ELDERLY

- 1973 -- Needs of Elderly Virginians; Commission created to study (HJR 175) (HD 36, 1974) (HD 32, 1978)
- 1973 -- Elderly Virginians, Commission on the Needs of (HJR 175) (HD 19, 1975)
- 1975 -- Elderly Virginians, Commission on the Needs of; continued (HJR 173) (HD 32, 1976)
- 1976 -- Elderly Virginians, Commission on the Needs of; continued (HJR 19)
- 1977 -- Elderly Virginians, Commission on the Needs of; continued (HJR 280) (HD 32, 1978)
- 1978 -- Elderly persons; House and Senate Committee on Finance to study viable incentives to families who care for relatives in their home (HJR 184) (HD 29, 1979)
- 1978 -- Hearing aids; House and Senate Committees on General Laws to study cost of for elderly (SJR 23)

- 1978 -- Homemaker-home health aide; Departments of Health and of Welfare to study creating position to provide services for elderly who wish to remain at home (HJR 33) (HD 10, 1979)
- 1978 -- Aging, Joint Subcommittee on; created from House Committee on Health, Welfare and Institutions and Senate Committee on Education and Health (SJR 81) (SD 6, 1979) (SD 23, 1980)
- 1980 -- Impaired elderly; Joint Subcommittee of House Committee on Health, Welfare and Institutions and Senate Committee on Education and Health to study care therefore (HJR 162) (HD 20, 1981)
- 1981 -- Nursing homes; moratorium on issuance of certain certificates-of-need, requiring report from Commission of Health (HB 1452) (HD 18, 1982)
- 1981 -- Nursing home pre-admission screening program; Department of Health to prepare to expand (HJR 295) (HD 19, 1982)
- 1981 -- Impaired elderly, community-based long-term care for; Secretary of Human Resources to study needs and initiate state-level coordination of community and institutional services (HJR 294) (HD 11, 1982)
- 1982 --Elderly and disabled persons; report date extended on certificates-of-need, Commissioner of Health to include study of programs to prevent institutionalization thereof, amending Chapter 493, 1981 Acts (HB 879) (HD 12, 1983)
- 1983 -- Senior Citizen Discount Program; Report of the Department for Aging (HJR 87, 1982) (HD 33)
- 1983 -- Senior Citizens Higher Education Act; Report of the Council of Higher Education (HJR 142, 1982) (HD 14)
- 1984 -- Frail and impaired elderly; Long-Term Care Council to study the cost effectiveness of maintaining the frail and impaired elderly in their home communities (SJR 30)
- 1985 -- Alzheimer's disease; Commission established to study the concept of a network of regional dementia centers (HJR 309) (HD 34, 1986); continued (HJR 134, 1986)
- 1986 -- Long-term care; Joint Subcommittee Monitoring Long-Term Care continued (HJR 37, 1983) (HJR 52, 1984) (HD 33, 1985) (HJR 111)
- 1986 -- Nursing homes; Secretary of Human Resources to study admission and discharge policies of nursing homes providing services under the state plan for medical assistance (SJR 52) (SD 6, 1987)

- Also see "Health"

ELECTIONS

- 1970 -- Commission created to study and report on the reappointment of the state electoral districts and the election laws of the Commonwealth (SJR 26)

- 1971 -- Commission created to study whether any changes should be made in Virginia law to conform to the Federal Voting Rights Act of 1965 and 1970; whether Virginia election laws can be further simplified, perfected and improved; and whether limitations should be placed on campaign expenditures and contributions for candidates for the General Assembly (HJR 52)
- 1971 -- Voting qualifications; changes age from "twenty-one" to "eighteen". Amending Article II, Section 1 of the Constitution of Virginia (HJR 5)
- 1971 -- Voting rights of citizens of the United States who are eighteen years of age or older, ratifying the proposed amendment to the Constitution of the United States (SJR 32)
- 1972 -- Elections Study Commission; continued to examine the election laws of the State in order that they may be further simplified and improved and to study whether limitations should be placed on campaign expenditures and contributions (HJR 17) (HD 15, 1973)
- 1973 -- Elections laws; House and Senate Privileges and Elections Committee to study, including advantages and disadvantages of a presidential primary, selection of delegates to conventions, limitations of expenditures in political campaigns, etc. (SJR 137)
- 1974 -- Election laws; Committees on Privileges and Elections of the House and Senate directed to continue their study pursuant to Senate Joint Resolution No. 137, 1973 Session (HJR 152)
- 1977 -- Election laws; House and Senate Privileges and Elections Committees to study (SJR 85)
- 1978 -- Elections, general; Commission created to study consolidation thereof (HJR 8)
- 1978 -- Registration and voting; House and Senate Committees on Privileges and Elections to study procedures as they affect handicapped and elderly (SJR 39)
- 1978 -- Registration and voting procedures affecting elderly and handicapped; House and Senate Committees on Privileges and Elections to study (HJR 183)
- 1979 -- Elections, statewide; House and Senate Committees on Privileges and Elections to study public financing (HJR 230) (HD 38, 1980)
- 1979 -- General Elections, Commission to Study the Consolidation of Times of; continued (HJR 271)
- 1979 -- Registration and voting procedures affecting handicapped and elderly; House and Senate Committees on Privileges and Elections to continue study (HJR 228)
- 1979 -- District of Columbia; House and Senate Committees on Privileges and Elections to study aspects of proposed amendment to U.S. Constitution for representation in Congress (HJR 353) (SJR 182)
- 1981 -- Contested elections; Joint Subcommittee of Senate and House Committees on Privileges and Elections to study how costs should be assessed (SJR) 120)
- 1982 -- Columbia, District of; House and Senate Committees on Privileges and Elections to continue study of U.S. constitutional amendment providing statehood thereof (SJR 19)
- 1985 -- Election laws; Joint Subcommittee established to study certain revisions in the election laws (SJR 92) (SD 19, 1986); continued (SJR 26, 1986)

EMINENT DOMAIN

- 1970 -- Eminent domain laws; Virginia Advisory Legislative Council to study (SJR 55) (SD 8, 1972)
- 1972 -- Virginia Code Commission directed to study and report on charters, special acts and Code sections which confer the power of eminent domain, and which contain certain procedural provisions for condemnation cases (SJR 33)

ENERGY

- 1970 -- Total energy systems; report of the Virginia Advisory Legislative Council (SJR 58, 1968) (SD 4, 1970)
- 1973 -- Energy crises in the Commonwealth, Commission; created to study existing and future demands for energy producing fuels, amounts and types available, etc., and the environmental consequences of extracting and utilizing such fuels (SJR 128) (SD 6, 1974)
- 1974 -- Energy crises; House Committee on Health, Welfare and Institutions to study severity, its affect on the citizens and means by which the coal industry can expand and develop production of its reserves (HR 17)
- 1975 -- Energy crises in the Commonwealth, Commission to study; commended for its work and directed to make a final report pursuant to SJR No. 128, 1973 Session (SJR 34) (SD 23, 1975)
- 1975 -- Coal and Energy Commission, Virginia; created to study all aspects of coal as an energy resource of the Commonwealth and make suggestions and recommendations on exploration, mapping, development and transportation of coal (SJR 109) (SD 24, 1976) (SD 15, 1977) (SD 28, 1978) (SD 28, 1979)
- 1975 -- Energy Crisis, Commission to Study; renamed Energy Study Commission, work of said Commission to be continued (SJR 97) (SD 12, 1977)
- 1976 -- Coal and Energy Commission; continued to study the development and utilization of Virginia's coal (SJR 11)
- 1977 -- Coal and Energy Commission; continued (SJR 108)
- 1977 -- Energy Study Commission; continued (HJR 296) (HD 21, 1978) (SD 27, 1979)
- 1978 -- Energy; Subcommittee on Energy of House Committee on General Laws to study interrelationship between state and federal programs (HR 11)
- 1979 -- Coal and Energy Commission; created, annual reports (SB 829) (SD 28, 1979) (SD 19, 1980) (SD 8, 1981) (SD 21, 1982)
- 1981 -- Energy conservation; Coal and Energy Commission to study large-scale promotion of insulation use (SJR 155)
- 1981 -- Energy use in state-owned buildings; Virginia Polytechnic Institute and State University Center for Coal and Energy Research to establish program to monitor (HJR 293)

- 1981 -- Uranium exploration, mining and milling; Coal and Energy Commission to evaluate environmental effects (HJR 324)
- 1982 -- Solar facilities; requesting Coal and Energy Commission to study means of encouraging construction (HR 14)
- 1982 -- Home heating; requesting Housing Study Commission to study safety of alternative forms (HJR 110)
- 1983 -- Energy costs; Department of General Services to study ways to control energy costs in state facilities (HJR 28)
- 1983 -- Energy conservation requirements; Board of Housing and Community Development to study existing and potential requirements in the Uniform Statewide Building Code which promote energy conservation (HJR 29)
- 1983 -- Coal slurry pipelines; Joint Study Committee established to study desirability of allowing the development of coal slurry pipelines and the utilization of Virginia coal (HJR 117)
- 1984 -- Virginia Coal and Energy Commission; annual report (SD 13)
- 1985 -- Virginia Coal and Energy Commission; report pursuant to § 9-145.1 of the Code of Virginia (SD 15)
- 1986 -- Virginia Coal and Energy Commission; report (SD 17)
- 1986 -- Use of coal; Virginia Coal and Energy Commission to study the use of coal in state facilities (HJR 107)
- 1986 -- Foreign coal; House Subcommittee to study the purchase of foreign coal by elective utilities in Virginia (HR 21)
- 1986 -- Gasohol; Virginia Coal and Energy Commission to study the costs and benefits of gasohol as an alternative fuel source (SJR 15)

ENTERTAINMENT

- 1972 -- Motion pictures, rating and advertisement; Committees on General Laws of the House of Delegates and Senate to study and report on the problems involved (H 1081)
- 1973 -- Motion Picture Review Board; General Laws Committees on House and Senate to form a subcommittee to study matters relating to the nature and content of films shown in Virginia (HJR 257)
- 1985 Amusement ride safety; Joint Subcommittee established to study amusement ride safety and the implementation of an inspection program on the state and local levels of government (HJR 331) (HD 23, 1986)

ENVIRONMENT

- 1970 -- Regulation and control of the use of pesticides, insecticides, fungicides, rodenticides or other "economic poisons" in Virginia; Department of Agriculture and Commerce to study (HJR 51)

- 1970 -- Disposal of solid wastes; Virginia Advisory Legislative Council report (HJR 156, SJR 2, 1968) (HD 23)
- 1971 -- Environmental pollution, Virginia Advisory Legislative Council directed to study the desirability of establishing a single state agency to regulate and control (HJR 35) (HD 20, 1972)
- 1971 -- Disposal of solid wastes, Virginia Advisory Legislative Council; creating a Commission to continue a study begun by the Council in 1968, concerning the disposal of solid wastes and to appropriate funds. (Amended to add emergency clause) (H 157) (SD 3, 1973)
- 1972 -- Critical environment areas; Report of the Council on the Environment's Land Use Task Force (SB 436, Chapter 690, 1972 Acts) (SD 3, 1973)
- 1972 -- Environmental Agencies, Consolidation of; Virginia Advisory Legislative Council to continue study (HJR 50) (HD 9, 1973)
- 1973 -- Water pollution control; Virginia Advisory Legislative Council Committee on Environmental Management to study all phases of water pollution control, critical needs of localities, construction of facilities, funding of programs, etc. (SJR 99)
- 1973 -- Solid Wastes, Commission on; created to study all problems incident to the causes, collection and disposal of solid wastes. Adding §§ 9-144 and 9-145 (S 856) (SD 24, 1974) (HD 2, 1975) (SD 29, 1979) (SD 25, 1980)
- 1973 -- Noise pollution, motor vehicles; Virginia Advisory Legislative Council Committee on Environmental Management directed to study with view toward proposing legislation consistent with the Federal Noise Control Act of 1972, Public Law 92-574 to set and enforce limits (HJR 236)
- 1973 -- Environmental agencies and environmental problems; Virginia Advisory Legislative Council directed to continue its study concerned with all aspects of governmental management of environmental problems (HJR 265) (HD 9A) (HD 18, 1974)
- 1973 -- Air pollution from automotive sources; Secretary of Transportation directed to explore and encourage the development of means of transportation to reduce (HJR 254) (HD 24, 1974) (HD 17, 1976)
- 1974 -- Recycling products; Commission To Study and Advise Upon The Disposal of Solid Wastes to study the establishment of regional centers for recycling paper, glass, metal and other products (HJR 79) (HD 33, 1975)
- 1974 -- Environmental agencies, consolidation of; Virginia Advisory Legislative Council to continue its study, pursuant to House Joint Resolution No. 35, 1971 Session, particularly in the area of land use planning (HJR 49) (HD 29, 1975)
- 1974 -- Solid Waste Commission; to study and Advise Upon the Disposal of; to study issues contained in Senate Bill Nos. 30 and 174 and similar legislation introduced in 1974 Session (S 30) (SD 16, 1976)
- 1976 -- Disposal of solid wastes; Report of the Commission to Study and Advise Upon the Disposal of Solid Wastes (HD 2)
- 1976 -- Solid Wastes, Commission to Study and Advise Upon the Disposal of; continued (SJR 48) (SD 3A, 1977) (SD 16, 1977)

- 1976 -- Litter; report of Department of Conservation and Economic Development pursuant to Virginia Litter Control Act (HD 4, 1977)
- 1977 -- Solid waste disposal; Solid Waste Commission to study (HJR 217) (HD 27, 1978) (SD 29, 1979)
- 1978 -- Air Pollution Control Study Commission; created, appropriation (SJR 37) (SD 25, 1979) (SD 8, 1980)
- 1978 -- Oil spill damage and cleanup costs; Joint Subcommittee of House Committee on Conservation and Natural Resources and Senate Committee on Agriculture, Conservation and Natural Resources to study whether liability limits established by federal law are in best interest of Commonwealth (HB 580)
- 1978 -- Wastewater treatment and disposal system, residential; Joint Subcommittee of certain House and Senate Committees created to study problems thereof (HJR 142) (HD 7, 1979)
- 1979 -- Air Pollution Control Study Commission; continued (SJR 118)
- 1979 -- Wastewater Treatment and Disposal Systems Subcommittee, continued (HJR 207)
- 1980 -- Back and Poquoson Rivers; Joint Subcommittee of the Senate Agriculture, Conservation and Natural Resources Committee and the House Committee on Chesapeake and its Tributaries to study pollution therein (SJR 83)
- 1980 -- Radioactive wastes low-level; Department of Health and Solid Waste Commission to plan establishment of a disposal facility (HJR 44) (HD 28, 1981)
- 1980 -- Wastewater Treatment and Disposal Systems, Joint Subcommittee; continued (HJR 57) (HD 12, 1981)
- 1981 -- Solid and hazardous waste; Board of Health and Solid Waste Commission to continue development of plan therefor (HJR 275) (HD 13, 1982)
- 1982 -- Aircraft noise; requesting Housing Study Commission to study building standards or other residential building legislation to limit such (HJR 116)
- 1982 -- Solid and hazardous waste facilities; Solid Waste Commission to study siting legislation (SJR 15) (SD 7, 1983)
- 1982 -- Hazardous waste; Commissioner of Health to develop a plan and prepare legislation to fund hazardous waste management program throughout special fees and charges (Item 422, Chapter 684, 1982 Acts) (HD 13, 1983)
- 1983 -- Toxic Substances Information Act; Joint Subcommittee established to study effectiveness of the Toxic Substances Information Act (SJR 29) (SD 21, 1984)
- 1983 -- Hazardous waste; Virginia Solid Waste Commission to continue its study to evaluate siting legislation for hazardous waste disposal facilities in Virginia (SJR 37)
- 1984 -- Nonpoint source pollution control; Chesapeake Bay Commission to assess the adequacy of staff resources throughout the Commonwealth that deal with nonpoint source pollution control (HJR 137) (HD 38, 1985)

- 1984 -- Protection of riparian lands; State Water Study Commission to study the Riparian Tax Incentive Program in Oregon for possible application in the Commonwealth (HJR 141) see HD 26, 1985
- 1984 -- Hazardous waste; Solid Waste Commission to study policy options available to the Commonwealth to encourage alternative to land disposal of hazardous waste (SJR 21) (SD 8, 1985)
- 1984 -- Phosphate detergents; State Water Control Board, the Chesapeake Bay Commission and the Virginia Cooperative Extension Service to study costs and benefits of imposing a ban on phosphate detergents (SJR 54) (SD 9, 1985)
- 1984 -- State Water Study Commission; annual report (HJR 67, 1983) (HD 32)
- 1985 -- Nonpoint source pollution potential and control on state-owned land; report of the Virginia Soil and Water Conservation Commission (HR 11, 1984) (HD 7)
- 1985 -- Flow control and resource legislation; Joint Subcommittee studying Chapters 732, 762 and 763 of the 1984 Acts of Assembly (SD 18)
- 1985 -- Community water resources; State Water Commission to study the adequacy of local government powers to protect community water resources (HJR 243) (HD 31, 1986)
- 1985 -- Fugitive coal dust; Air Pollution Control Board to study and determine whether present environmental laws are stringent enough to control problems resulting from fugitive coal dust (HJR 274)
- 1985 -- Subaqueous minerals and materials; Subaqueous Minerals and Materials Study Commission established to determine if commercial quantities of subaqueous minerals and materials exist and how the extraction can be adequately managed (SJR 104) (SD 18, 1986); continued (SJR 85, 1986)
- 1985 -- Recycling of metals; Solid Waste Commission to study the financial and environmental impacts of the presence of heavy metal and the potential for hazardous waste in the process and recovery of metals for recycling (SJR 105)
- 1986 -- Solid Waste Commission; report (SJR 105, 1985) (SD 12)
- Flow-through sanitation devices, see "Waters of the State"

EQUAL RIGHTS AMENDMENT

- 1973 -- Report of Joint Privileges and Elections Committee on Ratification of the Equal Rights Amendment (SJR 134) (SD 25, 1974)

FIRE PROTECTION

- 1974 -- Fire service training facility and rescue squads; Virginia Advisory Legislative Council to study establishing a state-supported and sponsored central headquarters for the Virginia Association of Volunteer Rescue Squads and a statewide fire training facility (SJR 43) (SD 19, 1975)

- 1975 -- Fire service training facilities; Virginia Advisory Legislative Council to continue its study (pursuant to SJR 43, 1974) (HJR 210) (HD 15, 1977)
- 1977 -- Fire prevention and protection; Virginia Advisory Legislative Council to study coordination of (SJR 97) (SD 14, 1978)
- 1977 -- Fire safety measures; Housing Study Commission to study those of the Uniform Statewide Building Code as utilized in state-owned buildings (SJR 127) (HD 12, 1979)

FISH, OYSTERS, SHELLFISH, AND OTHER MARINE LIFE

- 1974 -- Fishing facility; State Highway Commission to study costs, feasibility and utility of constructing a saltwater fishing facility attached or adjacent to the proposed James River Bridge in Newport News (HJR 66) (HD 4, 1975)
- 1978 -- Oyster fishery management; Subcommittee of House Committee on Chesapeake and Its Tributaries and Senate Committee on Agriculture, Conservation and Natural Resources to study (HJR 35)
- 1978 -- Oysters in Warwick River; Virginia Institute of Marine Science to study chlorine levels and effect thereon (HJR 162)
- 1979 -- Shellfish Industry Management Subcommittee; continued study authorized by (HJR 35, 1978) (HJR 216) (HD 25, 1980)
- 1984 -- Saltwater sportfishing license; Joint Subcommittee established to study feasibility of establishing a saltwater sportfishing license and the utilization of revenues derived therefrom (JR 68) (SD 17, 1985)
- Seafood industry see "Commerce"
- See also "Game, Inland Fisheries, and Dog"

FREEDOM OF INFORMATION

- 1977 -- Freedom of Information Act; legislative study commissions and committees and standing committees of the General Assembly exempt from provisions (HB 2164)
- 1978 -- Public information; Subcommittee of House and Senate General Laws Committee to study laws of the Commonwealth dealing with public information (HJR 12) (HD 14, 1979)
- 1982 -- Freedom of Information Act; Subcommittee of House General Laws Committee established to study the Freedom of Information Act and the feasibility of legislation pertaining to telecommunications under the Act (HR 11) (HD 19, 1983) (HD 33, 1984)

GAMBLING, LOTTERIES, ETC.

- 1971 -- Pari-mutuel betting on horse racing, providing for a commission to study methods of implementing (HJR 8) (HD 21, 1972)
- 1972 -- Pari-mutuel Betting, Commission to Study Legalizing; continued to complete the work it has initiated and submit its final report (HJR 84) (HD 2, 1973)

- 1973 -- Pari-mutuel Betting Study Commission, continued; created pursuant to House Joint Resolution No. 8, 1971 and continued by House Joint Resolution No. 84, 1972, Virginia State Crime Commission requested to assist (HJR 291) (HD 19, 1974)
- 1974 -- Lottery, State; House General Laws Committee to study the desirability of establishing a state lottery and methods of implementation (HR 15) (HD 22, 1975)
- 1978 -- Bingo Games, Joint Subcommittee of House and Senate Committees on General Laws to study laws thereof (HJR 115) (HD 39, 1979)

GAME, INLAND FISHERIES, AND DOGS

- 1974 -- Salt water fishing facility attached to James River Bridge at Newport News; State Highway Commission to study cost, etc., of construction in conjunction with proposed Bridge (HJR 66) (HD 4, 1975)
- 1974 -- Wild and exotic animal compounds; Department of Agriculture and Commerce to study proliferation of wild and exotic animal compounds and the regulation of such activities (SJR 77) (SD 10, 1975)
- 1975 -- Dog laws; Virginia Advisory Council to study the dimensions of the problem of the proliferating dog and cat population and make recommendations with a balanced regard for economic, public health, aesthetic and humane considerations and review Chapter 9 of Title 29 (SJR 100)
