Chapter 1 INCORPORATION AND BOUNDARIES

§ 1.01. INCORPORATION.

The inhabitants of the territory comprised within the limits of the City of Virginia Beach, as they are or hereafter may be established by law, shall continue to be a body politic and corporate under the name of the City of Virginia Beach and as such shall have perpetual succession, may sue and be sued, contract and be contracted with and may have a corporate seal which it may alter at its pleasure. The inhabitants of the territory comprised within the limits of Princess Anne County as it exists at the effective date of this charter shall also be a part of such body politic and corporate. (1962, c. 147)

§ 1.02. BOUNDARIES.

The boundaries of the City of Virginia Beach shall coincide with the outside boundaries of Princess Anne County so as to include all of the territory comprising Princess Anne County and the City of Virginia Beach as existing immediately preceding the effective date of this charter. (1962, c. 147)

Chapter 2 POWERS

§ 2.01. GENERAL GRANT OF POWERS.

The powers set forth in §§ 15.2-1100 through 15.2-1131 of the Code of Virginia as in force on January 1, 1977, and as hereafter amended, are hereby conferred on and vested in the City of Virginia Beach. In addition thereto the City of Virginia Beach shall have and may exercise all other powers which are now or may hereafter be conferred upon or delegated to cities of the first class under the Constitution or laws of the Commonwealth, as fully and completely as though such powers were specifically enumerated in this charter and no enumerations of particular powers in this charter shall be held to be exclusive but shall be held to be in addition to this general grant of powers. (1962, c. 147; 1977, c. 14; 2003, c. 869)

§ 2.02. ADDITIONAL POWERS.

Without limiting the generality of the foregoing, but in addition thereto, the City of Virginia Beach shall have the following additional powers:

(a) To spend not exceeding five percent of its annual revenue from all sources in advertisement of and giving publicity to its resources and advantages.

(b) To levy a higher tax in such areas of the City of Virginia Beach as desire additional or more complete services of government than are desired in the city as a whole, provided that such higher tax rate shall not be levied for school, police or general government services but only for those services which prior to the effective date of this charter were not offered in all the territory within the boundaries of the city and provided further that the proceeds from such higher tax rate shall be so segregated as to enable the same to be expended in the areas in which raised.

(c) To levy a special tax on real property in any district, sanitary district or other special taxing district or combination thereof, for a period of not exceeding 20 years, which may be different from and in addition to the general tax rate throughout the city, for the purpose of repaying indebtedness existing on the effective date of this charter and

chargeable to such district, sanitary district or special taxing district or combination thereof.

(d) To exercise all powers possessed by the City of Virginia Beach and Princess Anne County immediately preceding the effective date of this charter, consistent with general law and not inconsistent with this charter; provided, however, that except as otherwise specifically provided in this charter, all laws heretofore applicable to Virginia Beach or Princess Anne County, respectively, shall continue to apply to the areas theretofore comprising such political subdivisions, now incorporated under this charter as a single such subdivision, until otherwise provided by law.

(e) Imposition of special fees. To establish and collect such fees as may be determined by the council to be reasonable for the rendering of special services.

(f) Special service district. A special service district of the oceanfront resort area of the City of Virginia Beach shall be created by the governing body of the City of Virginia Beach upon petition of more than 50 percent of the property owners of the proposed district. The petition shall define the boundaries of the proposed district, which shall be limited in area to the oceanfront resort district, but need not be limited to properties abutting the boardwalk, the oceanfront or Atlantic Avenue. Upon the filing of such petition, the governing body shall fix a date for a public hearing on the question of the proposed service district, which hearing shall embrace a consideration of whether the property within the proposed district will be benefited by the establishment thereof. Notice of such hearing shall be given by publication once a week for three consecutive weeks in a newspaper of general circulation in the City of Virginia Beach, and the hearing shall not be held sooner than 10 days after completion of such publication.

After creating the special service district, the city council shall have the following powers and duties with respect to the service district:

1. To construct, maintain, and operate such facilities and equipment as may be necessary or desirable to provide additional governmental services and facilities, including but not limited to relocation and placement underground of utility lines and poles, landscaping, boardwalk and beach improvements, recreational facilities, parking facilities, promotion of the business district, and sidewalks and pedestrian malls for the use and benefit of the public in such service district.

2. To acquire by gift, condemnation, purchase, lease, or otherwise and to maintain and operate any such facilities and equipment as may be necessary and desirable to provide such additional governmental services in such district, and to acquire by gift, condemnation, purchase, lease, or otherwise, rights, title, interest, or easements therefor in or to real estate in such service district.

3. To contract with any person, firm, corporation, or political subdivision to provide such additional governmental services or facilities in such district and to construct, establish, maintain, and operate any such facilities and equipment, as may be necessary and desirable in connection therewith.

4. To authorize the city manager to employ and fix the compensation of any technical, clerical, or other personnel which may be necessary or desirable from time to time to provide such additional governmental services in such district or for the construction, operation, or maintenance of any such facilities and equipment as may be necessary or desirable in connection therewith.

5. To levy and collect an annual tax, which shall not be more than 15 percent higher than the general real estate tax levy, upon any property in such service district

subject to local taxation to pay, either in whole or in part, the expenses and charges for providing such additional governmental services or facilities in such district and for constructing, maintaining, and operating such facilities and equipment as may be necessary and desirable in connection therewith, provided that the proceeds from such annual tax shall be so segregated as to enable the same to be expended in the district from which collected.

(g) To compel the abatement and removal of all nuisances within the city; to require all lands, lots and other premises within the city to be kept clean; to regulate the keeping of animals, poultry, and other fowl therein; to regulate the exercise of any dangerous or unwholesome business, trade or employment therein; to regulate the transportation of all articles through the streets of the city; to compel the abatement of smoke and dust, and prevent unnecessary noise therein; to compel the removal of grass and weeds from private and public property, and snow from sidewalks; to require the covering or removal of offensive, unwholesome, unsanitary, or unhealthy substances allowed to accumulate in or on any place or premises; the filling in to the street level of the portion of any lot adjacent to a street where the difference in level between the lot and the street constitutes a danger to life and limb; the raising or draining of the grounds subject to be covered by stagnant water; the razing or repair of all unsafe, dangerous or unsanitary public or private buildings, walls or structures; to compel the removal of inoperative or unlicensed motor vehicles or parts thereof from private or public property; and to make and enforce all ordinances, rules and regulations necessary or expedient for the purpose of carrying into effect the powers conferred by this charter or by any general law, and to provide and impose suitable penalties for the violation of such ordinances, rules and regulations, or any of them, and the city may maintain a suit to restrain by injunction the violation of any ordinance. The enumeration of particular powers in this charter shall not be deemed or held to be exclusive, but in addition to the powers enumerated herein, implied thereby, or appropriate to the exercise thereof, the said city shall have and may exercise all other powers which are now and may hereafter be possessed or enjoyed by other cities under the Constitution and general laws of this Commonwealth. If after such reasonable notice as the council may prescribe by ordinance, the owner or owners, occupant or occupants of the property or premises affected by the provisions of this subsection shall fail to abate or obviate the condition or nuisance, the city may do so and charge and collect the cost thereof from the owner or owners, occupant or occupants of the property or premises affected in any manner provided by law for the collection of taxes. (1962, c. 147; 1968, c. 192; 1986, c. 313; 1987, c. 228; 2003, c. 869)

A. The city shall be divided into seven residence districts of approximately equal population which shall be numbered one through seven. The council shall consist of eleven members, including the mayor, one member to be elected by the city at large from the residents of each of the seven districts and three members and the mayor to be elected by and from the city at large.

B. The boundaries and names of such districts shall be established by ordinance on or before March 1, 1996, and thereafter the boundaries shall be adjusted periodically as may be necessary to ensure that the populations of the districts remain approximately equal.

C. The city council shall, no later than January 1, 1996, petition the circuit court to order an advisory referendum to be held on the question of whether the council member elected from each district shall be elected by the qualified voters of that district rather than at large. The wording of the question shall be determined by majority vote of the city council and shall be included in the petition. Upon the filing of the petition, the circuit court shall order that an advisory referendum be held on the question in the city at the municipal elections to be held in May 1996. (1962, c. 147; 1966, c. 39; 1987, c. 227; 1995, c. 697)

§ 3.01:1. IMPLEMENTATION OF DISTRICTS.

B. At the general election in May of 1998, the members elected at large from districts numbered one through three shall be elected for terms of two years and the members elected at large from districts numbered four through seven shall be elected for terms of four years. The terms of the two council members elected by and from the city at large in May of 1998 shall expire on July 1, 2002. Thereafter, all members shall be elected for terms of four years. § 3.02:1. ELECTION OF COUNCIL MEMBERS.

Pursuant to an ordinance adopted by city council on June 27, 2006, city council elections shall take place during the general election in November 2008, and during the November general election in even years thereafter, for council members whose terms expire at the end of December of that year. Council members, including the mayor, whose terms expire as of June 30, 2008, or June 30, 2010, shall continue in office until their successors have been elected at the November election and take office on January 1. The term of office for each council member shall commence on January 1 next following the date of election and shall continue until his successor has been duly elected and qualified. Each candidate shall state, at the time of filing, whether he is running at-large, from the district of his residence or for mayor. Candidates for council shall be nominated only by petition in the manner prescribed by general law. (1970, c. 206; 1971, c. 86; 1987, c. 227; 1995, c. 697; 2007, c. 725)

§ 3.02:2. ELECTION OF MAYOR.

The mayor shall be elected at the general election in November 2008, and each fourth year thereafter, to serve for a term of four years. Candidates for mayor shall run for one of the at-large seats. A candidate running for mayor shall not run for any other seat.

In the event any councilman, including the mayor, shall decide during his term of office to be a candidate for mayor, he shall tender his resignation as a councilman not less than ten days prior to the date for the filing of petitions as required by general law. Such resignation shall be effective on December 31, shall constitute the councilman's

intention to run for mayor, shall require no formal acceptance by the remaining councilmen and shall be final and irrevocable when tendered.

The unexpired portion of the term of any council member who has resigned to run for mayor shall be filled at the same general election. (1987, c. 227; 2007, c. 725)

§ 3.03. FILLING VACANCIES.

Vacancies in the office of councilmen, from whatever cause arising, except where such vacancy occurs due to a resignation to run for the office of mayor, shall be filled within 60 days for the unexpired portion of the term by a majority vote of the remaining members of the council, provided that so long as any councilmen are elected by and from districts the vacancy shall be filled by a qualified voter residing in the same district.

If a vacancy shall occur in the office of mayor, the council shall choose by majority vote of the remaining members thereof one of its members to be mayor until his successor is elected and qualified in accordance with general law. (1962, c. 147; 1987, c. 227; 2003, c. 869)

§ 3.04. APPOINTMENT OF MEMBER OF COUNCIL TO OFFICE OF PROFIT.

Witnesses shall be sworn by the person presiding at such investigation, and witnesses shall be liable to prosecution or suit for damages for perjury for any false testimony given at such investigation. Council shall have the power to apply to the judge of the general district court for a subpoena or subpoena duces tecum against any person refusing to appear and testify or refusing to produce books, papers or records as ordered by the council, and the judge of said court shall, upon good cause shown, cause said subpoenas to be issued. Any person failing to comply with any such subpoena shall be subject to punishment for contempt by the court issuing the subpoena.

C. Any board or commission whose members are appointed by the council, when authorized by ordinance to do so, shall have the investigatory powers, or as much of them

as are delegated by ordinance or resolution, to make investigations in connection with the performance of their duties and functions, as may be deemed necessary. (1979, c. 222)

The fiscal year of the city shall be established by ordinance unless such fiscal year is established by general law, in which event the fiscal year established by general law shall be the fiscal year of the city. The fiscal year of the city shall also constitute the budget and accounting year. (1962, c. 147; 1964, c. 109)

§ 5.02. SUBMISSION OF BUDGET.

The city manager shall submit to the council a budget and a budget message at least 90 days prior to the beginning of each budget year. (1962, c. 147)

If estimated receipts exceed estimated expenditures the city manager may recommend revisions in the tax and license ordinances of the city in order to bring the budget into balance. (1962, c. 147)

§ 5.05. BUDGET MESSAGE.

The budget message shall contain the recommendations of the city manager concerning the fiscal policy of the city, a description of the important features of the budget and an explanation of all significant changes in the budget as to estimated receipts and recommended expenditures as compared with the current and last preceding fiscal years. (1962, c. 147)

§ 5.06. APPROPRIATION AND ADDITIONAL TAX ORDINANCES.

At the same time that he submits the budget the city manager shall introduce and recommend to the council an appropriation ordinance which shall be based on the budget. The budget shall be adopted by the vote of at least a majority of all members of the council not later than 30 days prior to the end of the current fiscal year. Should the council take no action prior to such day, the budget shall be deemed to have been finally adopted as submitted. (1962, c. 147)

§ 5.09. ADDITIONAL APPROPRIATIONS.

Appropriations in addition to those contained in the general appropriation ordinance may be made by the council only if there is available in the general fund an unencumbered and unappropriated sum sufficient to meet such appropriations. (1962, c. 147)
