Tourism attraction for the Commonwealth

Visit SoSi (Tourism office for Danville and Pittsylvania County) was just named the fastest-growing tourism destination in Virginia by VTC with 1 million more visits year-over-year and a 5.4% increase in visitor spending.

Beyond our casino, Caesars Virginia offers a variety of other amenities as a full-scale destination resort to attract visitation to Virginia:

- The only Gordon Ramsay restaurant in the Commonwealth with our Ramsay's Kitchen
- World-class entertainment that has received tremendous feedback and welcomed a diverse set of acts
- Meetings business in our 50,000 square feet of convention space including the upcoming VA1 Tourism Summit in November

We anticipate ~2 million visits in our first year of operation in our permanent facility
